**Energy price:** SEK 581/MWh (SEK 0.581/KWh) excluding VAT  
SEK 726/MWh (SEK 0.726/KWh) including VAT

#### **Notes**

1 MWh – 1,000 KWh

The price for single unit housing and smaller housing units is divided into two price components.

#### **Measurement**

The energy used is measured by the supplier's meter

#### **Billing**

Billing will be done monthly after delivery.

Bill will be overdue 30 days after issue date. Late interest charges will then be added in accordance with the interest law.

#### **Other**

Rindi Sunne AB follows the general agreement terms and conditions for delivery of district heating for industrial use and the general agreement terms and conditions for delivery of district heating for private use issued by Svensk Fjärrvärme (Swedish District Heating Association) and Konsumentverket (The Swedish Consumer Agency).

Terms and conditions for connection to the district heating grid are issued in accordance with separate agreements.
